

# Institutional information

## Regulations

The legislation to which the Technological Corporation of Andalusia complies is the following:

- Law 10/2005, of May 31, on Foundations of the Autonomous Community of Andalusia.
- Decree 32/2008, of February 5, approving the regulations for Foundations of the Autonomous Community of Andalusia.
- Decree 279/2003, of October 7, which creates the Registry of Foundations of Andalusia and approves its organization and operation regulations.

In addition, the Foundation is governed internally by the following Statutes:

- [CTA Statutes](/export/sites/cta/.galleries/documentos-transparencia/Estatutos_CTA.pdf) [ /export/sites/cta/.galleries/documentos-transparencia/Estatutos\_CTA.pdf ]
