

P5 Innobroker

The European project **P5 Innobroker** aims to promote Public Procurement for Innovation (PPI) in Southern Europe.

CTA leads this initiative, co-financed by the COSME programme of the European Union (EU), in which five other European entities also participate.

P5 Innobroker is a strategic project for the European Commission, which thus aims to promote the launch and implementation of Public Procurement for

Innovation initiatives due to its dynamic effect on the business fabric and modernization of Public Administrations.
